

CALL FOR POSTERS & PRESENTATIONS

COMMUNITY MAPPING: PLACE-MAKING THROUGH MAPS

43rd Annual Canadian Cartographic Association Conference

NSCC - CENTRE OF GEOGRAPHIC SCIENCES | 50 Elliott Road - Lawrencetown, Nova Scotia

Join us for the first time at the Centre of Geographic Sciences (COGS) to participate in technical workshops, share place-based knowledge and to celebrate the rich history of cartography taught at COGS. This four day event will kick off with technical sessions followed by two days of presentations, CCA meetings, orienteering event, dinner with flavours from the Annapolis Valley, and opportunity to tour Grand-Pré and local wine region.

Keynote Speakers

Dr. Michael Goodchild - Emeritus Professor of Geography at UCSB
Marcel Morin - Lost Art Cartography
Edie Punt - ESRI

The Awards

Best Student Paper/Presentation
Web Map Award
Presidents Prize

We invite abstract submissions in all areas of Cartography, Community Mapping, and Geomatics. Consider presentations or posters for general, special, or technical sessions, Pecha Kucha night, and workshops. Please submit a 250 word abstract to conference chair, Monica Lloyd at monica.lloyd@nsc.ca.
