

Vancouver, May 13-17, 2008

CARTO '08

Conference Schedule

Welcome to CARTO '08, joint conference of the Canadian Cartographic Association and the Association of Canadian Map Libraries and Archives. Our main venue is the newly-opened Irving K. Barber Learning Centre, which replaces the old Main Library. The Dodson Room is on the third floor of Barber.

Registration is available Tuesday 9:00-9:30 in the Geography Building prior to the Georeferencing Workshop, Tuesday 6:00-7:00 during the Icebreaker Party in Thea Koerner House, and Wednesday 8:00-9:00 in Barber 182. Daily registrants will be welcomed prior to the first sessions on Thursday and Friday.

Poster presenters may mount their posters Tuesday 3:30-5:00 or Wednesday 11:00-1:30 in Barber 181 & 183. The Poster Session Opening is Wednesday 1:30-3:00.

If you are speaking at or chairing a session, please arrive in the room 15 minutes early.

Tuesday May 13th

9:00-12:00	ACMLA Executive Meeting	Koerner Library, Room 740B
9:00-9:30	Conference Registration	Geography Building, Room 114
9:30-11:30	Workshop: Georeferencing Historic Maps and Air Photos with GIS PRE-REGISTRATION REQUIRED <i>Sally Hermansen, University of British Columbia</i>	Geography Building, Room 114
1:30-3:00	Information Session: Metadata PRE-REGISTRATION REQUIRED <i>Andrea Buffam, Natural Resources Canada</i>	Barber, Dodson Room (3rd floor)
1:30-3:00	ACMLA Bibliographic Control Committee Meeting	Koerner Library, Room 740B
4:00-5:30	CCA Executive Meeting	Koerner Library, Room 740B
6:00-7:00	Conference Registration	2nd floor, Thea Koerner House
6:00-9:30	Icebreaker Party	Thea Koerner House, Thea's Lounge (2nd floor)

Wednesday May 14th

8:00-9:00	Conference Registration	Barber, Room 182
9:00-9:15	Welcome <i>Lea Starr, Associate University Librarian; Colleen Beard, ACMLA President; James Boxall, CCA President</i>	Barber, Room 182
9:15-10:30	Keynote: Giving Maps a Second Life with Digital Technologies <i>David Rumsey, Cartography Associates & Luna Imaging</i>	Barber, Room 182
10:30-11:00	Break	Barber, Room 182
11:00-12:00	Session: History of Cartography I <i>Chair: Edie Punt, ESRI</i> Historical Maps in Google Earth and Second Life <i>David Rumsey, Cartography Associates & Luna Imaging</i> Canadian Century Research Infrastructure Project: Historical GIS in the Service of Modern Census Mapping and Analysis <i>Byron Moldofsky, University of Toronto</i>	Barber, Room 182
12:00-1:30	ACMLA Annual General Meeting and Luncheon	Barber, Dodson Room
1:30-3:00	Session: Cartographic Research <i>Chair: Sally Hermansen, University of British Columbia</i> Towards Audio-Visual Cartography <i>Glenn Brauen, Carleton University</i> "Mapping-In-A-Shoe-Box" – A Grassroots Approach to Improving Graphic Literacy? <i>Jacqueline M. Anderson, Concordia University</i> Map Mashups and the Rise of the Amateur Cartographer <i>Elise Pietroniro & Darlene Fichter, University of Saskatchewan</i>	Barber, Dodson Room (3rd floor)
1:30-3:00	Opening of Poster Session See <i>Abstracts</i> for poster titles	Barber, Rooms 181 & 183
3:00-3:30	Break	Barber, Dodson Room
3:30-5:00	Concurrent Session: Community Projects <i>Chair: Ian O'Connell, University of Victoria</i> Community Mapping: Taking Theory from the Classroom to the Community <i>Rebecca Chaster, Samantha Scott, Dennis Senft & Matthew Coyle, University of BC</i> Geography of Water at the University of Victoria: Employing Community Mapping as an Aid to Sustainability Policies <i>Lee Johnson & Ian O'Connell, University of Victoria</i> Community Mapping with Youth in Whitehorse, Canada <i>Erin Neufeld & Ian O'Connell, University of Victoria</i>	Barber, Dodson Room

Wednesday May 14th cont.

- 3:30-5:00 **Concurrent Session: Map Production Technology** Barber, Room 185
Chair: Elise Pietroniro, University of Saskatchewan
Ontario Road Map GIS Project
Lori Martin, Ontario Ministry of Natural Resources
The Good, the Bad and the Ugly: The Benefits and Struggles when
Importing ArcMap Files into Adobe Illustrator
Karen Van Kerkoerle, University of Western Ontario
Map Generator Project
Yvan Désy, CTIO
- 5:00-6:00 **Consultation on Topographic Maps** Barber, Dodson Room
Natural Resources Canada
- 5:45 **Activity: Orienteering Challenge** Meet outside Gage Towers
- 7:30 **Pub Night** Thea Koerner House,
Koerner's Pub

Thursday May 15th

- 9:00-10:30 **Concurrent Session: Teaching Map Design** Barber, Room 182
Chair: Majella Gauthier, Université du Québec à Chicoutimi
The Changing Face of Map Design: Teaching Map Design in the New Millennium
Elise Pietroniro, University of Saskatchewan
Teaching Cartography in Academia
Sally Hermansen, University of BC
Teaching Map Design Using Mapping Center
Aileen Buckley, ESRI
- 9:00-10:30 **Concurrent Session: History of Cartography II** Barber, Dodson Room
Chair: Andrew Nicholson, University of Toronto
The Honourable Robert Edward Clifford (1767-1817): Maps and Mysteries
Cathy Moulder, McMaster University
The 1858 Gold Rush Routes in Maps, from Washington to the Fraser and Thompson Rivers
Kenneth Favrholt, Thompson Rivers University
Maps of "The Great Swivel Link"
Alun Hughes, Brock University
- 10:30-11:00 **Break** Barber, Dodson Room
- 11:00-12:00 **Concurrent Session: Cultural Themes** Barber, Room 182
Chair: Julia Siemer, University of Regina
Hypermapping and Narrative: Using Geovisualization to Represent Cultural Information
Jesslyn Stoncius, University of Toronto
From China to Canada: Mapping Chinese Head Tax Data
Jeremy Alexander, Mario Ho & Edith Tam, University of British Columbia

Thursday May 15th cont.

- 11:00-12:00 **Concurrent Session: Metadata/Geospatial Data Services** Barber, Dodson Room
Chair: Marcel Fortin, University of Toronto
Guelph's Journey from Metadata to Metadata Explorer:
Searching and Accessing Geospatial Data
Diane Boyd & Quin Shirk-Luckett, University of Guelph
Projets de numérisation en partenariat au Centre Géo/Stat
Stefano Biondo, Bibliothèque de l'Université Laval
- 12:00-1:30 **CCA Annual General Meeting and Luncheon** Barber, Dodson Room
- 1:30-3:00 **Concurrent Session: Census Mapping** Barber, Room 182
Chair: Susan McKee, University of Calgary
Product Demo of **PCensus**
Michael Simon, Tetrad
Experiences in Using **PCensus**
Susan Greaves, Queen's University
SimplyMap – Mapping Canadian Census Data the Easy Way: A Web-based Mapping Application for the Non-GIS user. Demo and evaluation.
Trudy Bodak, York University; Suzette Giles, Ryerson University
- 1:30-3:00 **Concurrent Session: Cartographic Education** Barber, Dodson Room
Chair: Roger Wheate, University of Northern British Columbia
Trying to Do What Hasn't Been Done Before: Faster and More Practical GIS Education at Malaspina University-College
Brad Maguire, Malaspina University-College
Evolution or Devolution of Cartographic Education
Peter Kasianchuk & Aileen Buckley, ESRI
A University Course on Maps by a Non-Cartographer for Non-Cartography Students
Will C. van den Hoonaard, University of New Brunswick
- 3:00-3:30 **Break** Barber, Dodson Room
- 3:30-5:00 **CCA Executive Meeting** Koerner Library, Room 740B
- 3:30-5:00 **GIS in Libraries** Barber, Dodson Room
Chair: Jesslyn Stoncius, University of Toronto
GIS as a Science or Tool: a Map Librarian's Perspective
Dan Duda, Memorial University
GIS Librarianship in the Age of **Google Earth/Maps**
Marcel Fortin, University of Toronto
Google Earth Meets Higher Ed
Cathy Moulder, McMaster University
- 6:00 **Banquet and Awards** University Centre, Sage Bistro

Friday May 16th

- 9:00-10:30 **Concurrent Session: National Themes** Barber, Dodson Room
Chair: Dan Duda, Memorial University
Libraries & Archives Canada – Legal Deposit for Maps Update
Natalie LeBlond, Library and Archives Canada
CCoG National Mapping Strategy Working Group
Heather MacAdam, Carleton University, and others
Report from Cartography, Architecture and Geomatics, Library and Archives Canada
David Brown, Library and Archives Canada
Brief Report on Fire Insurance Plan Project with Library and Archives Canada
Cheryl Woods, University of Western Ontario
- 9:00-10:30 **Concurrent Session: Atlases** Barber, Room 185
Chair: Lori Martin, Ontario Ministry of Natural Resources
The British Columbia Atlas of Wellness
Peter Keller, Les Foster, John Fowler, Ken Josephson, Diane Braithwaite & Brian McKee, University of Victoria
On the People Visiting the Website of a Regional Atlas in Quebec:
The Case of **Atlas Régional Du Saguenay-Lac-Saint-Jean**
Majella Gauthier, Université du Québec à Chicoutimi
The Atlas of Canada – Future Challenges/Opportunities
Peter Paul, Natural Resources Canada
- 10:30-11:00 **Break** Barber, Dodson Room
- 11:00-12:00 **Concurrent Session: Potpourri I** Barber, Dodson Room
Chair: Gerald Stark, Alberta Agriculture and Food
Mapping Early Childhood Development Outcomes
Ellen Larcombe, University of British Columbia
A Model Land Geographic Information System (LGIS) for Urban Parks
Andrew Millward, Ryerson University
Mapping the Glaciers of Western Canada
Roger Wheate, Nancy Alexander & Brian Menounos, University of Northern BC
- 11:00-12:00 **Concurrent Session: Potpourri II** Barber, Room 185
Chair: Terri Osborn, University of Alberta
ACMLA Student Paper Competition Presentation
Information Literacy Strategies for Embedding Geospatial Data Resources into the Curriculum
Jennifer Marvin, M.J. D'Elia & Carol Perry, University of Guelph
Potential Offer from the Alberta Terrestrial Imaging Centre for Access to SPOT Data
Brett Michelson, University of Lethbridge
- 12:00-1:30 **Canadian National Committee on Cartography Meeting** TBA
- 1:30 **Field Trip to Historic Steveston** Meet outside Gage Towers

Saturday May 17th

- 9:00-12:00 **ACMLA Executive Meeting** TBA
